User Content and Actions The following terms apply to user-submitted content and user content on interactive areas of the StackCommerce network, which may cause existing interactive areas such as comments, forums, discussions, or other interactive features that you may post or upload user-generated content, including but not Limited By submitting user content, you certify that you are 13 years of age or older (age restrictions may vary by your local jurisdiction), and if you are under the age of 18, you are a minor who emanates or has the legal consent of your parents or legal guardians to enter these Terms of Use to join the Network and fulfill the obligations set out in these Supervisor Terms that create a binding contract between you and StackCommerce. By submitting user content or participating in the Network, you agree to comply with the following rules: You agree not to upload, post or transmit any User Content: infringing or infringing on the rights of others, including any messages that may be defamatory, threatening, stalking or threatening others. You know it's false, misleading or inaccurate. There are horrific expressions of bigotry, racism, racial or ethnic abuse, hate speech, abuse, profanity or profanity, or supporting pornography or sexually explicit pedophilia, incest, best or obscene or obscene. Violating the law or sponsoring or advising about malicious, illegal or predatory acts or discussing illegal activities with the intention of committing them. Encourage violent behavior, pose a reasonable threat to personal or public safety. There are violent images of killing or physical abuse that appear to be captured solely or primarily for the purpose of exploitation, prudence or satisfactory. Protected by copyright, trademark, trade secrets, public relations rights or other proprietary rights without express permission from copyright owners, trademarks, trade secrets, public relations rights or other proprietary rights, the obligation to consider that any user's content is not protected by copyright, trademark, trade secrets, rights, public relations or other proprietary rights are with you. You are solely responsible for any damages resulting from copyright infringement, trademarks, trade secrets, public relations rights or other harms arising from such submissions, any person designated by StackCommerce in its sole discretion to infringe intellectual property or other rights of others, will be prohibited from sending or posting any additional content on the Network. Generally, it is not related to any given topic or theme of the interactive area. unauthorized advertising or promotional materials regarding products or services, spam, spam, chain letters. You agree not to engage in activities that would constitute a criminal offence or cause civil liability. You agree that, if necessary, you will obtain the consent of each individual and anyone in any submission to use a person's name or something similar in a manner that the network considers. Appearing in your submission, which is a current member of the Screen Actors Guild (SAG), the American Federation of Television and Radio Actors Federation (AFTRA) or other social rights, is not eligible for compensation from StackCommerce. You agree not to represent or recommend direct or indirect endorsement of StackCommerce User Content; You agree not to upload, post or transmit user content, software or other materials containing viruses or other harmful or disturbing components. You agree not to reproduce, copy, sell, resell, or take advantage of any commercial purpose of the network, use the network or access the network. You agree not to use any technology or automation services to expand the page views your user content receives, including pay-per-click web services, robots, and other current or future technologies. You also agree not to direct any third party to use these technology services or automation on your behalf. You agree not to use any technology, services or automation to post user content, rather than that a person can upload at a given time. StackCommerce does not authenticate or trust any user content and is not responsible or liable for any actions you may take as a result of reading the user content posted on the network. There can also be risks in dealing with underage individuals, people acting under false scrutiny, international trade issues and foreigners. By using the network, you assume that all StackCommerce is not obligated to review the content of users posted or uploaded to the network to determine compliance with these Terms of Use and any operating rules set by StackCommerce and to comply with applicable government laws, regulations or requests, although StackCommerce has no obligation to review, screen, edit or delete any user content posted or uploaded to the network. In addition, StackCommerce may share personally identifiable information in response to the requests of law enforcement agencies or those we believe are necessary or as required by law or permitted. The decision by StackCommerce to review and/or modify user content does not constitute any responsibility or liability in any way in respect of StackCommerce related to or arising out of use by you on the Network. By sending user content to the network, you will automatically give the royalty-free StackCommerce forever. Irrevocable, non-exclusive rights and licenses, but not obligations, to use, publish, reproduce, edit, edit, translate, create derivative work from, integrate into other tasks, distribute, sublicense and so on. Take advantage of such user content (in whole or in part) around the world in any form, media or technology now known or following developments for the full terms of any copyright may be contained in such user content, without paying to you or third parties. You represent and warrant with StackCommerce that you have the legal, authority and authority to grant stackcommerce the license granted here, that you own or control a complete exhibition and other rights to the user content you submit for the purposes considered in this License and user content, or the exercise of the rights permitted herein will violate these Terms of Use or violate any rights, including privacy or rights. You grant StackCommerce additional rights, but it is not an obligation to comply with any individual or entity laws that violate your rights or StackCommerce in the User's Content by violating these Terms of Use, Educating, Enlightenment, Empowerment \$99m instead of £109m, Access to more than 11,000 video and audio lectures in science, mathematics, history, photography and more.
